The screenshot shows the 'Inventory - Stockroom list' page in the ULS Inventory Manager. The 'INVENTORY' tab is selected and highlighted with a red box. The page title is 'Inventory - Stockroom list' and the organization is 'Marine Biological Laboratories'. There are two tabs: 'Stockroom list' (active) and 'Take stock history'. A search bar is present with a 'Search' button. Below the search bar is a text input field with the placeholder 'Enter part number or part name' and a 'Find part' button. A table displays the stockroom list with the following columns: 'Stockroom name', 'ID', 'Total parts', and 'Stockroom location'. The first row is 'MBL STOCKROOM', 'MBLST', '785', and an empty location field. The 'MBL STOCKROOM' text is highlighted with a red box.

- **BIN** – location of item in the stockroom
 - Bin locations marked **ZPARENT** are only used for ordering “parent” part numbers
 - Ex: 20WU22 is the **ZPARENT** product (how we purchase) for 20WU22EA which is the **child** product (how we sell)
- **UOM** = unit of measure
- **MAX** = max quantity that the stockroom carries
- **ROP** = reorder point
- **QOH** = quantity on hand
- **QOO** = quantity on order, this only shows up on the **ZPARENT** parts
- **Product Status** = discontinued or do not replenish (DNR)

The report viewer is limited and does not show prices. If you have a question or need a price, please contact stockroom@mbi.edu or call 508-289-7236.
