The screenshot shows the ULS Inventory Manager interface. At the top, there are navigation tabs: OVERVIEW, INVENTORY (highlighted with a red box), and MANAGE. The page title is "Inventory - Stockroom list" and the organization is "Marine Biological Laboratories". Below the title, there are two sub-tabs: "Stockroom list" (selected) and "Take stock history". A search bar is present with the placeholder text "Search". Below the search bar, there is a text input field with the placeholder "Enter part number or part name" and a "Find part" button. A table below displays the stockroom list with the following columns: "Stockroom name", "ID", "Total parts", and "Stockroom location". The first row in the table is "MBL STOCKROOM", "MBLST", "785", and is highlighted with a red box.

Stockroom name	ID	Total parts	Stockroom location
MBL STOCKROOM	MBLST	785	

Select Inventory Tab
Double click on MBL Stockroom

<input type="checkbox"/>	5MN56	SPRAY BOTTLE, 16 OZ WHITE/CLEAR	5A 3	EA	24	13	42	0		

- **BIN** – location of item in the stockroom
 - Bin locations marked **ZPARENT** are only used for ordering “parent” part numbers
 - Ex: 20WU22 is the **ZPARENT** product (how we purchase) for 20WU22EA which is the **child** product (how we sell)
- **UOM** = unit of measure

- **MAX** = max quantity that the stockroom carries
- **ROP** = reorder point
- **QOH** = quantity on hand
- **QOO** = quantity on order
- **Product Status** = discontinued or do not replenish (DNR)

The report viewer is limited and does not show prices. If you have a question or need a price, please contact stockroom@mbi.edu or call 508-289-7236.

Thank you,

MBL Stockroom
